

Product Specifications

Housing: Marine grade aluminum with stainless steel screws

Lens: UV stabilized polycarbonate

Mounting: Wall mount

Electrical: 120V, 230V, Dimmable

Light Source: 10W LED, E27,G23, G23 18W

Certification: cETLus, IP66, CE

Photometric: 10W LED 374 lm CRI>90 50,000

IP66

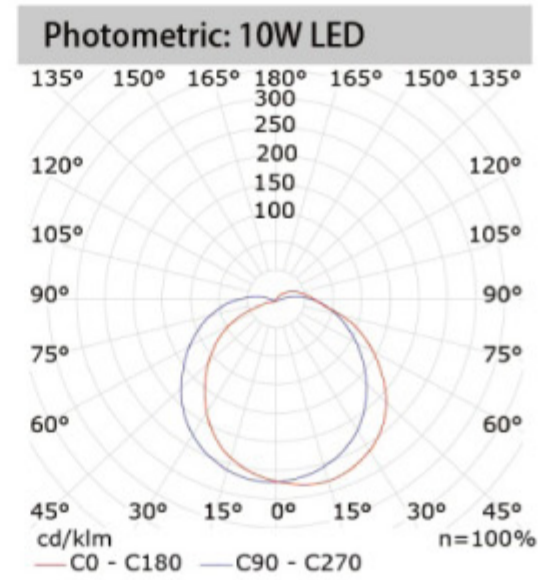

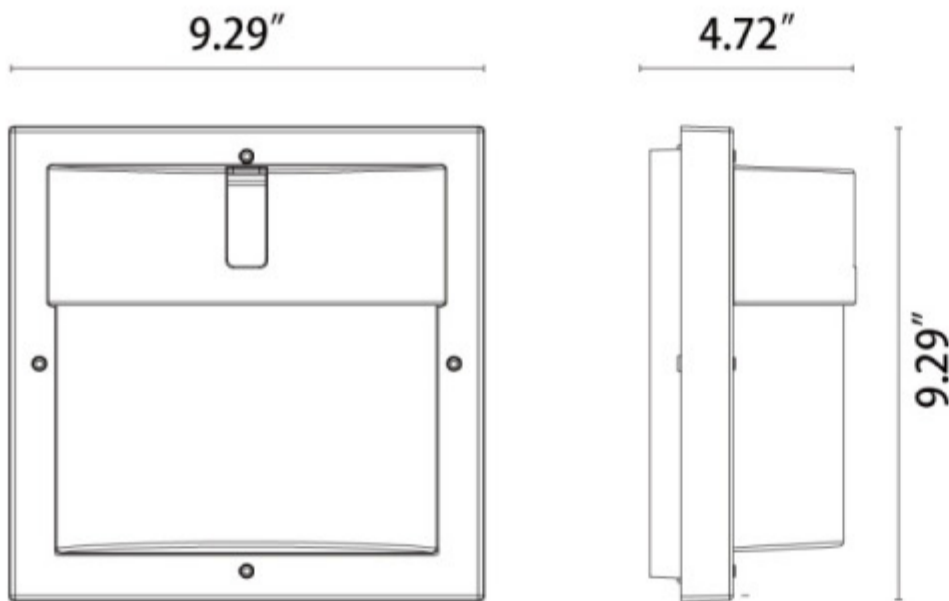

Dimmable

Color Temperature: 3000K

Fixed LED Light Source. Can be replaced by authorized personnel

EWSGT2
